SUMMARY

Enthusiastic high school student with a strong passion for computer science and software development. Proficient in Python, Java, and Web Development. Possessing excellent problem-solving and analytical skills. Eager to gain experience in computer science and software development through internships, projects, and online courses.

EDUCATION

- Victoria Park Collegiate Institute** Toronto, Ontario, Canada
High School Diploma - International Baccalaureate Program Grade 11 *Sep 2022 – June 2026 (Expected)*

EXPERIENCE

- Hack Club** Remote
Organizer & Judge *Jan 2025 – Present*
 - Event Planning:** Spearheaded the planning, coordination, and execution of a competitive hackathon, managing logistics, team communications, and event promotion.
 - Judging:** Assessed project innovation, technical execution, and overall impact, offering constructive feedback to inspire continuous improvement.
 - Workshops & Mentoring:** Facilitated pre-event workshops and on-site mentoring sessions, helping participants refine their ideas and overcome technical challenges.
- STEM·E Youth Career Development Program** Remote
Software Developer Intern *Jul 2023 – Present*
 - Full-Stack Development:** Designed and developed an educational application, implementing backend APIs and user-friendly front-end interfaces using HTML, CSS, and Python.
 - Collaboration:** Worked with a team to solve complex programming challenges and deliver modern, functional digital solutions.
 - Skills Enhancement:** Gained practical experience in full-stack development, enhancing technical and problem-solving skills.
- City of Toronto** Toronto, Ontario, Canada
Recreation Assistant *Dec 2022 – Present*
 - Facility Operations:** Supported smooth program execution and high-quality service delivery by monitoring facilities and enforcing safety regulations.
 - Communication:** Effectively communicated with maintenance staff, performed administrative tasks, and reported incidents.
 - Emergency Response:** Acted as a key member of the on-site emergency response team, addressing incidents promptly and professionally.

PROJECTS

- Game Development Club:** Co-founded and Co-president of the club, leading game development projects and workshops.
- Hackathons and Coding Competitions:** Participated in collaborative and individual coding challenges, applying problem-solving skills in a competitive environment.
- FIRST Robotics Team:** Contributed to the design and programming of competitive robots, enhancing teamwork and engineering skills.

SKILLS

- Programming Languages:** Python, Java, HTML, CSS **Development:** Back-End Web Development, Front-End Development
- Soft Skills:** Communication, Problem Solving, Customer Service, Administration

CERTIFICATIONS

- **Standard First Aid CPR-C & AED:** Canadian Red Cross (Jan 2023 – Jan 2026)

HONORS & AWARDS

- **Bronze in CALICO Informatics Competition:** UC Berkeley (Dec 2024)
- **Certificate of Distinction in Canadian Computing Competition (Junior Division):** University of Waterloo (Feb 2024)

EXTRACURRICULAR ACTIVITIES

- **Literature Club:** Executive Member
- **Target Alpha Club:** Executive Member
- **Science Olympics:** Trainer
- **Debate Club:** Active Participant
